

Wholesale Price List California Tamper-Resistant Prescription Forms

Prescriber concerns are:

- Effective now, triplicates from the Department of Justice are no longer available
- July 1 – Dec 31, 2004, triplicates and new tamper-resistant forms must be used for Schedule IIs
- Effective Jan 1, 2005, triplicates are invalid and all controlled substance prescriptions Schedules II-V require the new forms
- ***Prescribers are required to retain a record of prescriptions written for three years***

Record retention options are:

- Keep a log
- Make a notation in the patient file
- Use duplicate forms or make a copy for the patient file and/or a sequential file
